

Harold S. Winograd K-8 School. . .It's A Whole New World!!! On Friday, October 23, 2020 the CUBS continued the United Way Youth Campaign. Many of the CUBS from Kindergarten to Eighth Grade to Staff Members paid \$1.00 to wear hats to school. United Way of Weld County is so appreciative of the CUBS generosity every year during the Youth Campaign. Your ongoing generosity is valued as we continue to enjoy and celebrate face-to-face learning in "A Whole New World."

Also, on Friday, October 23, 2020 the Harold S. Winograd K-8 School Cross Country Running Club participated in their first event Josephine B. Jones Park. Thirty CUBS ran and ran and ran. Many of our student athletes improved their times during this event. We are proud of their effort and participation.

CROSS COUNTRY RUNNING CLUB

The schools that will be participating in future meets are Bella Romero, Brentwood Middle School, McAuliffe K-8 STEM Academy, Prairie Heights Middle School, and Harold S. Winograd K-8 School. The second meet will be hosted by McAuliffe K-8 STEM Academy and will take place at Monfort Park on Tuesday, October 27, 2020. The culminating meet will be hosted by Harold S. Winograd K-8 School and will take place at Harold S. Winograd K-8 School on Friday, October 30, 2020. Since this is a running club, there will not be ribbons or trophies given at the meets. However, times will be taken and shared with coaches and athletes. All meets will begin promptly at 3:30 PM. Transportation to each meet will be provided but students will need to get their own rides home once the meet is finished. In order to keep our athletes and families safe, all attendees must wear a mask at all times. Athletes will be allowed to remove their mask at the start of the race and need to put their mask back on once they cross the finish line. All spectators must also remain 6 feet apart from other non-family spectators. Each athlete will receive two tickets for family members. Please do not bring any more than two family members to each meet. If the Cross Country Running Club meets are successful, there is a greater likelihood that other sports will become available to our students later in the school year. Your help is appreciated!!!

HALLOWEEN AT HAROLD S. WINOGRAD K-8 SCHOOL

No one from outside of the school is allowed to attend the party. If individual classroom teachers choose to have food at their celebration, it should not be homemade. However, it does need to be individually portioned so that it can be served to students. If you have questions, please call the school office at 348-2600.
