## **A MESSAGE FROM OUR PRINCIPAL**

Dear Parents and Community Members,

Here comes winter. Hopefully by the time you read this, the fires are out, the election in complete, we've set our clocks back and we're closer to the end of 2020. It can't come soon enough, right?! We are well into 2nd quarter now and winter is setting in. Because of the cold, we are opening our doors a bit earlier (7:15), still taking the temperatures of our students as they come in, still following all protocols. Students have been great in honoring the expectations of masks, social distancing and the closed campus at lunch. Give your student a high five for that. As we move deeper into quarter 2, please note how important attendance is both with in-person and remotely. Teachers are covering a lot of ground (curriculum) in a short time. We know these conditions—part time in school and part time out—are not ideal, but our students have adapted and most are doing very well in difficult conditions. Give them a hug for that.

Our second round of parent teacher conferences will be from 4-8 pm on Wednesday, November 11th. Our attendance was good at the first conference considering everything had to be remote and typically our attendance decreases in November, but WAIT! These conferences are important. Your student will be near the midpoint of the 2nd quarter and these conferences can help prevent failures from happening! Don't assume. Sign up and meet with your teachers and counselors. Great questions to ask:

Is my student on track for graduation? Is he/she showing up on remote days? The number one cause of not being successful in class (or the workforce) is attendance! How can I support my student at home with your class? Is my student eligible for sports? Is my student going to be able to participate in Winter or Spring sports with the grades he/she currently has? Losing credits in these quarters puts students off track for their 4 year graduation and potentially makes them ineligible. For parents of seniors, these are important conversations!

Please go to our website to see important dates for November and pictures of our flag dedication ceremony!

I wish all Wildcat families and students a joyous Thanksgiving in the midst of difficult days. I am certainly grateful and thankful to be the principal of a school with such great family support and student initiative.

If you would like to contact me, my email is [casmith@greeleyschools.org](mailto:casmith@greeleyschools.org).

You may also reach me by phone at 970-348-5009.

Sincerely,

Cary Smith, Principal - Greeley Central High School

## STUDENT SCHEDULES AND INFINITE CAMPUS PORTAL

Students should check their schedules on Infinite Campus as this will be the most accurate and up to date schedule available. There is an Infinite Campus mobile app for both students and parents. Instructions will be given out during our fall registration, on our website and also this newsletter (see flyers). You can also obtain the instructions and guide on the District website ([www.greeleyschools.org](http://www.greeleyschools.org)) under the Families menu/Infinite Campus - Parent (or Student). The apps are easily identified by a capital "S" for the student portal or a capital "P" for the parent portal. Students will login using their school username and their student number (lunch number) as their password. If a student does not know their login information, please see someone in the main office.

Parents who have accessed the parent portal last school year (at a District 6 school) should use the same username as before. This username would have ended with an **\_PG** (underscore PG). If you cannot get logged in please call the Main Office at (970) 348-5000 for a password reset.

## FREE & REDUCED LUNCHES

Every year each student who wishes to be considered for free & reduced lunches must have their parent or guardian fill out a new application. The best method of doing this is online. Completing your application online takes significantly less time and will facilitate a quicker turnaround time for determining your status. Please click the link below to take you to this online application:

- [Titan School Solutions](#)

If you prefer to fill out a paper application you can pick this application up from the main office or go directly to Nutrition Services at the Service Center located at 2504 4th Avenue. Please note that filling out a paper application does take longer to process and get results.

Please note that students who have not had an application processed by one of the last days in September will have a "paid" status until approximately the end of the first week in October. After that date, the student's free & reduced status will be revoked, so please don't wait until the last minute to complete this application. Please check with Nutritional Services for all required due dates & information:

- Fall Play
- Winter Dance Concert
- Holiday Music Concerts

## **20th ANNIVERSARY - HISTORIC BRICK WALL**

The 2020-2021 school year will be our 20th year in our renovated Castle! The Class of 2000 spent their senior year at the "new" high school, Northridge, before it was officially called Northridge. For one year, Northridge was the home of Greeley Central. In the fall of 2000, the remodel and addition to Greeley Central was complete and our students returned to the prestigious home of the Castle. This year was the first year the high schools in Greeley added a freshman class to the high school ranks.

So as we begin the fall of 2020, we embark on a continued adventure of school traditions, school pride, and 20 years of .....continuing the LEGACY!

Check out our Historic Brick Wall, built during the 1999-2000 remodel of the Castle.

When the remodel of the Castle was completed, an historic brick wall was incorporated into our court yard area. This brick wall has room for 1000+ bricks that can be purchased to:

**memorialize students, staff, a former alumni who may have passed away, or even entire classes!**

Although our homecoming pricing special has ended, there are still plenty of opportunities for you to be a part of Greeley history. Take a peak at some of the photos below in the brick wall photo gallery to check it out.

**[Click this link to go to the Brick Wall page for our special.](#)**

## **NOTES FROM THE HEALTH OFFICE**

### **It's the Rule...Shots Before School!**

Colorado Law requires all students attending Colorado schools and licensed child care to be vaccinated against certain diseases, unless an exemption is filed.

- All Kindergarten students must be up to date with 5 immunizations (MMR, Polio, Dtap, Varicella, Hepatitis B).
- All 6th Grade students must have had an additional Tdap immunization between 5th and 6th grade.

Students who are non-compliant with vaccines will have received a letter home in October and will be required to complete these immunizations prior to early November in order to stay in school.

If you are unsure if your child has their immunizations, contact your school health office to check on their immunization status.

### **Flu season is right around the corner...**

The CDC recommends that everyone 6 months and older get vaccinated this season.

Here are some other tips for staying healthy:

- Wash your hands with soap and water frequently during the flu season.
- Avoid touching your eyes, nose or mouth.
- Cover your mouth or tuck it into your elbow when coughing or sneezing.
- Avoid contact with people who are sick. Don't share drinks or utensils with others.
- Stay home with fever over 100.5, chills, head and body aches, or uncontrollable cough.

For more information about flu prevention, go to:

- <https://www.cdc.gov/flu/protect/habits.htm>

## **ATTENDANCE & SICK STUDENTS**

### **DO NOT SEND YOUR STUDENT TO SCHOOL IF THEY ARE SICK!!!!**

If you are waiting for results from a COVID test for **ANY MEMBER OF YOUR HOME, KEEP YOUR STUDENT AT HOME** until you receive verification from your doctor that the test result is **negative. If any person in your home receives a positive COVID test all members of your household need to stay home.**

### **We ask you to call at least 1-hour in advance if you wish to pick up your student.**

To report an absence for your student please call the attendance line directly at **(970) 348-5014**.

If you do not get a live person, please leave a message with the following information: 1.) student's name, 2.) grade level, 3.) date of birth, 4.) reason for the absence/early release, 5) if picking up student, the time the student should be released. **NOTE THAT Due to COVID-19**, parents, guardians, and relatives will be stopped by security at either the West or North entrance. Only those listed on the student's contact information will be able to pick up students. Please note that during testing, field trips, or athletic events, your student may initially be marked absent until later that afternoon. Attendance for some testing or school events is delayed due to receiving final student attendance lists from the testing rooms or field trip chaperones/coaches. We thank you in advance for your understanding.

## SCHOOL IS GOING STRONG!

We are into our second quarter of school for the 20-21 school year. This year, we are using a hybrid bell schedule so not all students will be in the building at the same time. The hybrid bell schedule we will be using follows an AA/BB schedule.

The way this will work will be when Group A is in-person at the school, then Group B will be online off-site. When Group B is in-person at the school, then Group A will be online off-site. On Wednesdays, all students will be online off-site.

- On Mondays & Tuesdays, **Group A** will be in-person and **Group B** will be online off-site.
  - On Thursdays & Fridays, **Group B** will be in-person and **Group A** will be online off-site.
- Groups have been determined by the last name of the student:

- **Group A = Last Names A - L**
- **Group B = Last Names M - Z**

We have listed each day's group on our website's upcoming events section.

## PLEASE NOTE SCHEDULE FOR NOVEMBER:

There have been a few modifications to our school schedule for the end of December so please take a look at these changes. The second quarter will end on Thursday, December 17th.

There will be no school for students or staff the entire week of Thanksgiving. Since we are limited to the number of in-person days for students in November, **PLEASE DO NOT MISS** any days leading up to or days after our Thanksgiving break. Any day your student is not attending class (either in-person or virtually) puts your student far enough behind in school work to change a student's grade from an A to a C or a C to an F.

## UPCOMING SCHEDULE (DECEMBER)

To the right you will find our schedule (as of October 30th) for the month of December, showing which days are Group A in-person and which days are Group B in-person.

Please note that for the end of quarter two we will start the week off with Group A in-person/Group B online off-site on Monday, Tuesday & Wednesday (December 14th, 15th & 16th) and Group B in-person/Group A online off-site on Wednesday, December 17th. This will allow for the same number of in-person days for BOTH groups for quarter two. Finals for quarter two

classes will be held on last in-person day for each group...see **December's schedule above**.

## COUNSELING CORNER

We are now in the second quarter of school and have hopefully somewhat figured out this online or hybrid model. Student success Quarter 1 had a lot to do with who logged into school while at home on a regular basis and did the work. Please make sure this quarter to be logging in regularly and doing your work as it is assigned. You CAN do this!

### Juniors:

Now is the time to start thinking about preparing for college. If you haven't already, look into joining clubs and participating in community service activities. You can log into Clever and use Naviance to take interest surveys such as the "Career Interest Profiler" if you don't know what you want your career path to be or use "Supermatch" to start browsing different Colleges and Universities.

If you are interested in Scholarships like the Daniels Fund or Boettcher you need to be planning your unique community project. Please make an appointment with Mrs. Dillon for further discussion.

Please CALL OR EMAIL your grade-level Counselor if you are registered for a class you have TAKEN and PASSED.

## ATHLETICS/ACTIVITIES

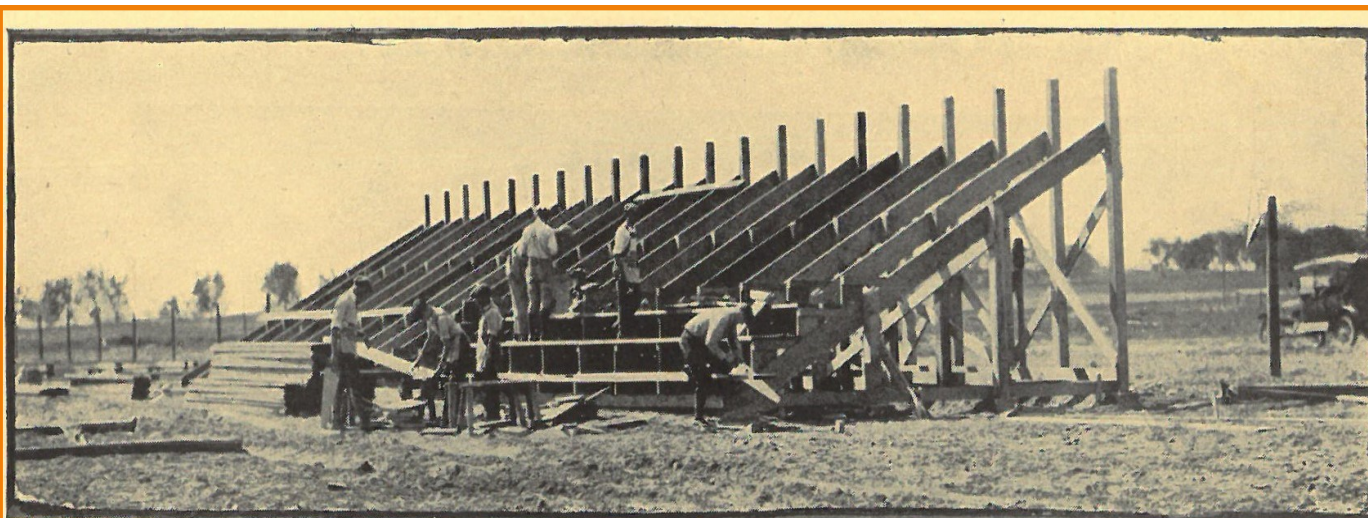

### WILDCAT SPECTATOR

Welcome to the Greeley Central Athletics/Activities corner. Check out what we have coming up, what we've done, and even archives of some of our highlights from years-past.

#### **Tales from the Archives**

From the 1923 SPUD (yearbook), our first set of bleachers at the original District Football Stadium, which was built on the West side of where the Castle currently stands. These bleachers backed up to what is currently 16th Avenue Court (the road just East of the Hospital) and faced East. Fans from the stands had a great view of the small town of Greeley, since the Castle was not yet built at this time. Read a little more of how these bleachers came to be and the little nuggets of history given. A few years later, however, the view looking from the bleachers was the mighty Castle. How we all miss not having the District Stadium next to the Castle.

Cheers to old Greeley High!!

### *GREELEY HIGH SCHOOL BLEACHERS*

At last Greeley High School has her own football field, fenced and supplied with the best bleachers of any high school in the state. The interesting and unique thing about the bleachers is that they were built by the manual training classes except the four tiers of cement foundations 12x12 inches and 280 feet long which were put in by Wm. Cooper, contractor.

The work was started September 17, 1922 and was completed October 10. The bleachers are 280 feet long and have a seating capacity of 2500. There were 30,000 feet of lumber used and the total cost was \$1,462.

There were fifteen boys working every school day. The work was very practical because the boys worked a full day at a time. The first period class worked all day Monday then was excused from manual training for the rest of the week and that time used to make up work lost Monday. The second period class worked Tuesday, and so on.

After the bleachers were finished, football goal posts were put in place and ticket booths were built at both entrances to the field.

## An Update from the Activities Director's Desk

Welcome to the 2020-21 school year. What a year it has become with CHSAA changing the sports around into 4 seasons. We are currently half-way through the Fall season with boys golf, boys tennis, cross country and softball competing. In the upcoming weeks, off season programs will begin workouts with the hopes of their seasons in the future.

A few things to begin working on as the winter season (boys basketball, girls basketball, and wrestling) approaches on January 4th:

1. Registration is open on our website and we request students athletes register before the season starts
2. Maintain passing grades as students are required to pass all of their classes to remain eligible

## Spectators at Events:

Just a reminder that CHSAA has limited fan participation this year and requires the use of masks at all events. Events in District 6 are also limited. PLEASE keep an eye out for our spectator guidelines concerning football, cheer and marching band. New guidelines are in the approval process as of October 1st.

## SPORTS REGISTRATION

We have four sports seasons this year. Our Fall season is now in session. Boys Golf, Softball, Boys Tennis & Cross Country have finished their seasons. Cheer and Football began their seasons with the first Varsity Football game on Thursday, October 8th. The winter season (Basketball, Girls Swimming Wrestling) will start on January 4th, immediately after the winter break.

Due to the short turnaround after winter break, we are asking that those students interested in winter sports complete their sports registration ASAP. Registration is now open for Girls Basketball, Boys Basketball, Wrestling, Boys Soccer and Volleyball at Greeley Central.

For your convenience, to register for sports at Greeley Central High School, click the link below:

**<https://greeleycentral-ar.rschooltoday.com/>**

The sports that didn't take place this fall - Boys Soccer and Volleyball - will start their seasons in March. The traditional spring season (Baseball, Girls Soccer, Boys Swimming, Girls Tennis and Track) will begin in late April.

Any student who wishes to participate in sports must register online using the sports registration link above and have an up to date physical as well as insurance. If your student wants to compete in swimming - either boys or girls, they will need to register with Greeley West.

If you are interested in attending meetings and growing GCHS Athletics, please email Sean Scribbick at **[sscribbick@greeleyschools.org](mailto:sscribbick@greeleyschools.org)** or call 970-348-5000. **GO CATS!!**

## FLAG DEDICATION CEREMONY ON 10/29/2020

Greeley Central was excited to hold a Flag Dedication ceremony on Thursday, October 29th at 4PM. Roy Otto was very kind enough in donating to the Wildcats a city flagpole from the old fire station on 23rd Avenue which we have installed near our west entry. The Veterans of Foreign Wars (VFW) secured a flag that was flown over our Nation's capital. Justin Davis (current Special Education Teacher) and his father, Jeff Davis (former GCHS Band Teacher) played the national anthem for the ceremony.

Ed Rogers (former GCHS Art Teacher) was also present and read a great poem entitled "*Your Flag & My Flag*" by Wilbur Nesbit. Other city dignitaries & district officials were also present. Take a look at some of the photos from the ceremony.
