Greeley Central High School News

A MESSAGE FROM OUR PRINCIPAL

Merry Christmas from The Castle,

As we launch into the last three weeks of a tenuous two quarters that have included quarantines, extra days off for teacher preparation, temperature taking everyday, and now fully remote learning, I want to first acknowledge the gritty work of both students and staff. These last four months have been terribly difficult and unhealthy, to say the least, but everybody has worked hard and contributed to make good in a bad situation. I commend the Wildcat family for their faithfulness and resilience in the face of difficult odds. But I especially want to acknowledge the courage that's been exemplified in sticking to this uncharted path—it's special grace, it's that special spirit in both student and staff that says, "Give me a challenge; I'll meet it with joy." Thank you all.

Courage is now important. We are being pulled into an unknown future in education, but part of that future is discovery—discovery of new ways of learning, new ways of connecting, new ways of growing. It's all part of taking a chance and expanding our own personal and professional horizons. The future is not doom and gloom—both are optional; both are a choice. As a matter of fact, I love the ways Central teachers and staff are creating new methods of teaching and learning both online and in person—ways that meet student needs differently than before. And our students are finding success. I encourage parents to talk to their students about how they are growing in their understanding of their own learning and their own identity.

"What should I do?" many have asked recently. "How do I change my world for the better?" Action does not have to be grand and/or global. I encourage each of us to tend to our "own little square of earth" as one author puts it, or as George Orwell states in 1984, to the "few cubic centimeters inside your skull."

These last few weeks are crucial to finishing Quarter 2 well. Parents, please continue to encourage your students to stay connected and working; encourage them to check in with their teachers and to participate in ZOOM meetings; and ensure they show up for final exams during the week of December 14th. These exams and this quarter are very important in your student's progress toward graduation.

FREE & REDUCED LUNCHES

Every year each student who wishes to be considered for free & reduced lunches must have their parent or guardian fill out a new application.

The best method of doing this is online. Completing your application online takes significantly less time and will facilitate a quicker turnaround time for determining your status.

Please click the link below to take you to this online application:

- [Titan School Solutions](#)

If you prefer to fill out a paper application you can pick this application up from the main office or go directly to Nutrition Services at the Service Center located at 2504 4th Avenue. Please note that filling out a paper application does take longer to process and get results.

Please note that students who have not had an application processed by one of the last days in September will have a "paid" status until approximately the end of the first week in October.

After that date, the student's free & reduced status will be revoked, so please don't wait until the last minute to complete this application. Please check with Nutritional Services for all required due dates & information:

20th ANNIVERSARY - HISTORIC BRICK WALL

The 2020-2021 school year will be our 20th year in our renovated Castle! The Class of 2000 spent their senior year at the "new" high school, Northridge, before it was officially called Northridge. For one year, Northridge was the home of Greeley Central.

In the fall of 2000, the remodel and addition to Greeley Central was complete and our students

returned to the prestigious home of the Castle. This year was the first year the high schools in Greeley added a freshman class to the high school ranks.

So as we begin the fall of 2020, we embark on a continued adventure of school traditions, school pride, and 20 years ofcontinuing the LEGACY!

Check out our Historic Brick Wall, built during the 1999-2000 remodel of the Castle.

When the remodel of the Castle was completed, an historic brick wall was incorporated into our court yard area. This brick wall has room for 1000+ bricks that can be purchased to:

memorialize students, staff, a former alumni who may have passed away, or even entire classes!

Although our homecoming pricing special has ended, there are still plenty of opportunities for you to be a part of Greeley history. Take a peak at some of the photos below in the brick wall photo gallery to check it out.

NOTES FROM THE HEALTH OFFICE

Flu season is here:

The CDC recommends that everyone 6 months and older get vaccinated this season.

Here are some other tips for staying healthy:

- Wash your hands with soap and water frequently during the flu season.
- Avoid touching your eyes, nose or mouth.
- Cover your mouth or tuck it into your elbow when coughing or sneezing.
- Avoid contact with people who are sick. Don't share drinks or utensils with others.
- Stay home with fever over 100.5, chills, head and body aches, or uncontrollable cough.

For more information about flu prevention, go to:

<https://www.cdc.gov/flu/protect/habits.htm>

As we go remote: please help us continue contact tracing:

- Please notify your school's health office if your child becomes ill or receives notification of a positive COVID-19 test during the 48 hours after their last day at school. Voice messages will be monitored during the remote learning period.
- If your child has been out of school on a quarantine, please notify your school's health office if your child becomes ill or receives notification of a positive COVID-19 test at any point during the quarantine period.
- If your child tests positive for COVID-19 at any time during the remote learning period, please notify your school's health office.

Continue to practice recommended guidelines to prevent the spread of COVID-19:

- Wear a mask when around any person outside of your immediate household. Wear a mask both indoors and outdoors. Anyone 11 years of age and older is mandated to wear a mask in public places; anyone between the ages of 3 and 11 years are strongly advised to wear a mask.

- Wash your hands frequently with soap and water for a minimum of 20 seconds scrubbing all surfaces
- Cover coughs and sneezes with a tissue, then throw the tissue in the trash, or use your inner elbow or sleeve
- Avoid touching your eyes, nose and mouth with unwashed hands
- Stay home if you are sick. Please!
- Get a flu shot! Everyone in the household should be vaccinated against influenza. It is not too late! Flu shots are available through your healthcare provider and at numerous pharmacies throughout the community.
- Clean high touch surfaces in your home and personal items such as cell phones using regular household products
- Practice social distancing, staying at least 6 feet away from others

SCHOOL SWITCHED TO REMOTE LEARNING

Greeley Central was able to stay in-person using our hybrid schedule through November 4th. Unfortunately, Central had to switch to remote learning starting November 5th at least through Thanksgiving break. About a week after Central went remote, the District also made the decision to switch the rest of the District to remote learning through the end of Semester 1. With regards to our schedule, we will still follow the Group A/Group B days, along with the Wednesday All Online schedule. The only change will be that students will not actually be "In-Person" at the school on our "In-Person" days. Students will attend their classes the same as if they were "In-Person", only remote online.

PLEASE NOTE SCHEDULE FOR DECEMBER:

There have been a few modifications to our school schedule for the end of December so please take a look at these changes. Quarter 2 & Semester 1 will end on Thursday, December 17th. Since we are limited to the number of "In-Person" days for students in November (due to Thanksgiving break), **PLEASE DO NOT MISS** any days after our Thanksgiving break. Any day your student is not attending class (either "In-Person" or virtually) could put your student far enough behind in school work to change a their grade from an "A" to a "C" or a "C" to an "F". Although this schedule below shows "In-Person", students are NOT physically "In-Person" at the school. This signifies the group that receives the main instruction that day, as if they were "In-Person". **See December's schedule below.**

Please note that for the end of quarter two we will start the week off with Group A "In-Person" / Group B Online Off-Site on Monday & Tuesday (December 14th & 15th).

Finals for Blocks 1 & 2 for BOTH Group A & B will be held on Wednesday, December 16th in the morning (8:00am & 9:45am respectively). **Finals for Blocks 3 & 4 for BOTH Group A & B** will be

Although this table shows "In-Person", students are NOT physically "In-Person" at the school. This signifies the group that receives the main instruction that day, as if they were "In-Person".

ATHLETICS/ACTIVITIES

WILDCAT SPECTATOR

Welcome to the Greeley Central Athletics/Activities corner. Check out what we have coming up, what we've done, and even archives of some of our highlights from years-past.

Tales from the Archives

The 1980 Northern Conference Champion Cats!

During the 1979-80 school year, the Wildcat boys basketball team brought back an old tradition to Greeley Central by returning to the state tournament again. In total, it was Central's 25th appearance in the prestigious state dance. Tournament play came to an abrupt end, however, as the cats suffered an unfortunate 50-47 loss to the Regis Raiders in the qualifying round. This was after the Wildcats captured a share of the Northern Conference Title. At that time, a birth to the state tournament was determined by the outcome of the conference tournament, which found the Northern Conference filled with tough competition. Coach Hicks was in his second year at the helm of the program and the Cats managed victories in the tournament over Poudre, Greeley West and Niwot. This was 2 years after leading the cats to an 0-18 campaign. After establishing a 7 game winning streak earlier in conference play, the Central cagers suffered a 77-75 loss to Rocky Mountain in an overtime battle to end the season; however, with wins over Poudre and Centaurus, the Cats were guaranteed a share of the regular season crown. Tad Boyle went on to be named All Northern Conference for the 2nd year in a row and was recognized as MVP of the Northern Conference while being selected to the Denver Post and Rocky Mountain News All State Teams.

An Update from the Activities Director's Desk

Hello Wildcat athletes and families,

As I reflect upon the fall season and the experiences that we are able to provide to our athletes, I am also reminded of how delicate this situation has become. With the football season being cut short due to COVID, I began to think about the experiences this virus has taken from our athletes as well as our students. Our Central seniors have missed out on a lot and I can only hope that circumstances improve in the future to allow for some normalcy at the Castle. As season B approaches and the Cats look to take to the wrestling mats and gym, I am optimistic that we will find a way to provide those experiences in the winter. As Thanksgiving approaches Cats, please take care of yourselves and others and remember we are in this together and we will prevail. A few things to begin working on as the winter season (boys basketball, girls basketball, and wrestling) approaches on January 4th:

1. Registration is open on our website and we request that student athletes register before the season starts.
2. Maintain passing grades as students are required to pass all of their classes to remain eligible.

Off-Season/Pre-Season Workouts

Due to the rise in cases, our district has moved to fully remote learning and has placed restrictions on off-season workouts. At this time, all off-season workouts have been postponed until further notice from our school district. Please contact your sport-specific coach for details and plans moving forward.

As the Holiday season approaches, please think about shopping at one of our generous sponsors, Scheels, for your apparel and equipment needs. See the flyer on **page 26 (last page)** of this newsletter.

SPORTS REGISTRATION

We are hoping that our winter season (Basketball, Girls Swimming & Wrestling) will start in January immediately after the winter break. The sports that didn't take place this fall - Boys Soccer & Girls Volleyball - will start their seasons in March. The traditional spring season (Baseball, Girls Soccer, Boys Swimming, Girls Tennis & Track) will begin in late April. If your student plans to participate in a winter sport please register right away so there is time to address any issues there may be with their registration. Remember that nobody can try out for basketball if they have not been registered and cleared by the athletic office.

For your convenience, to register for sports at Greeley Central High School, click this link:

<https://greeleycentral-ar.rschooltoday.com/>

Registration is now open for Girls Basketball, Boys Basketball, Wrestling, Boys Soccer & Girls Volleyball at Greeley Central. Any student who wishes to participate in sports must register online using the sports registration link above and have an up to date physical as well as insurance. If your student wants to compete in swimming - either boys or girls, they will need to register with Greeley West. There are additional electronic forms that must be completed if your student has transferred to Greeley Central within the last year as a 10th, 11th or 12th grader. This process takes time so again, do not wait until the last minute and run the risk that your student isn't ready to start practice on day one!

If you are interested in attending meetings and growing GCHS Athletics, please email Sean Scribbick at sscribbick@greeleyschools.org or call 970-348-5000. **GO CATS!!**

STUDENT SCHEDULES AND INFINITE CAMPUS PORTAL

Students should check their schedules on Infinite Campus as this will be the most accurate and up to date schedule available. There is an Infinite Campus mobile app for both students and parents. Instructions will be given out during our fall registration, on our website and also this newsletter (see flyers). You can also obtain the instructions and guide on the District website (www.greeleyschools.org) under the Families menu/Infinite Campus - Parent (or Student).

The apps are easily identified by a capital "S" for the student portal or a capital "P" for the parent portal. Students will login using their school username and their student number (lunch number) as their password. If a student does not know their login information, please see someone in the main office.

Parents who have accessed the parent portal last school year (at a District 6 school) should use the same username as before. This username would have ended with an **_PG** (underscore PG). If you cannot get logged in please call the Main Office at (970) 348-5000 for a password reset.

While we are remote until the end of December, attendance is still important to the success of your student.

To report an absence for your student please call the attendance line directly at **(970) 348-5014**.

If you do not get a live person, please leave a message with the following information:

1.) student's name, 2.) grade level, 3.) date of birth, 4.) reason for the absence/early release

Attendance for some testing or school events are delayed due to receiving final student attendance lists from the testing rooms or field trip chaperones/coaches. We thank you in advance for your understanding.
